Trophy

Series FAQ - Round 1 LMP

Official Rotax Categories

Micro Max | Mini Max | Jr Max | Sr Max | Masters Max | Local Option*

Official Local Option Categories

*KA100 Sr | KT100Sr (Both Categories will utilize MoJo D2 tires)

Official Equipment

All Rotax categories will run by the 2020 technical regulations with certified "sealed" engines. All tires will be MoJo per category regulations. All oil will be XPS Synthetic with fuel specified by each race track.

Event Format

One day of official track practice on Friday and One day of official racing on Saturday. Saturday will include two practice sessions, 1 qualifying session, 1 Pre-final , 1 Final.

Registration

Online at RaceRotax.com/trophy-event-page | Payment will be made to the track at the time of arrival where competitors can also receive their insurance wristbands and parking assignments. The cost is \$200 per Rotax entry which includes practice and NOT tires.

Tires

Race Tires can be purchased ahead of time and are NOT included in the entry fee. One set of slicks is mandatory per entry. Competitors must start qualifying with a new set of MoJo slicks per regulations.

Pit Space Arrangements

Contact each track owner (contact info is available on the event page) to arrange accordingly.

Fuel

Fuel will be for sale onsite from each track. Round 1 LMP will utilize Sunoco 95 - All competitors MUST purchase their fuel onsite

Awards

There will be a full top-three trophy podium presentation at the conclusion of Saturday's post-race tech.

All series prizes will be handed out to the championship points (top-three). Micro Max, Rotax Sr and Masters Max will receive 2020 RMCGF tickets to the series champions. Additional prizes to be announced for the series final!

Support

J3 Competition along with several other Rotax Service Centers will be onsite for support as well as parts sales. J3 Competition will be on hand at each race with tires for sale additional, but please do reserve ahead of time..

Engine Rentals

J3 Competition will have a limited number of engine rental kits available from Micro -- Sr Max. The event cost is \$250, please contact J3 Competition for reservations.

CONTACTS
